

OFFICE OF SECURITY WEEKLY STAFF MEETING (U)

ROOM 4E-64

21 July 1977

25X1A

3. (U/AIUO) DCI-OS Contacts

The Director of Security advised that he has had several recent meetings with the DCI who continues to evidence a keen interest in security. Mr. Gambino noted that Admiral Turner has "bought" all our recommendations to date and is particularly interested in strengthening industrial security practices.

4. (U) Career Board

The Director of Security commented that the DCI recently attended a portion of an Office of Security Career Board meeting and had a good exchange of ideas with Career Board members.

5. (U/AIUO) Table of Organization

Mr. Gambino indicated he hoped to know shortly how many new positions we might be allocated and commented that there might be some dislocation within the Office while new employees are being trained and placed.

6. (U/AIUO) Relations with Congress

The Director of Security commented that the DDS was meeting with the DCI and the Chairman of the House Committee on Assassinations. Mr. Gambino noted that there has been a series of these meetings and that cooperation on security issues has been good to date.

7. (U/AIUO) "60 Minutes" Segment on the Agency

The Director of Security noted that the CBS filming of the Agency will be shown on "60 Minutes" on 23 July 1977. He commented that he had the opportunity to preview the film and found it unobjectionable from a security point of view. The Director of Security added, however, that our right of review was limited to the film itself and not to any comments that might be made by Mr. Rather either as a lead-in to the film or as a postscript.

8. (C) Industrial Program

The C/OPS/PSI reported that the Office of General Counsel has approved the implementation of a pilot program of industrial polygraph. This limited activity will commence in the near future.

9. (C) Personal Note

The DDS/PTOS announced the recent hospitalization
